

How would you like to Volunteer for LGBT Sheffield?

The Roles:

We have various roles to offer at LGBT Sheffield. For example, you could help us with the preparation and planning for our annual 'Pinknic' event, which we organise all year round. Maybe you could offer a few hours a week to help us with the general running of LGBT Sheffield or assist us more specifically with media and publicity or grant writing? We also hold awareness raising events in the community – is this something that interests you?

Over the next year, we are aiming to start up a new community centre and local phone line. Helping us to do this would be invaluable. Perhaps you are more interested in our outreach work, where we are visiting and training staff of care homes and sheltered housing projects on LGBT issues? Whatever takes your fancy, speak to Kath Housley and get involved today!
